THANK YOU FOR CHOOSING TURBOSTART PRODUCTS

Warranty: TurboStart® 12V batteries carry a 60 day free replacement 3 year warranty based off of the date of the original invoice. TurboStart® will exchange or refund the full purchase price of the original invoice if a warranty claim is issued within the first 60 days. All returns must have a RGA number issued from the warranty department prior to return of the battery for testing and inspection. Any physical damage or abuse is not covered under this warranty. If the battery fails under manufacture defect and the invoice is within the 60 days, then a full refund or exchange will be issued. The amount of credit due during the pro rate period after 60 days is dependent on the date of the original invoice.
